

ARE YOU A CARER SEEKING WORK?

If so, its likely you are eligible to receive support through Carers NSW Care2Work project

Providing unpaid care for a friend or family member can make looking for and securing appropriate employment challenging for many reasons.

You may feel like you have lost touch with the working world, or just don't know where to start?

Whether you are looking to return to a previous career, retrain, up-skill, or start afresh, Carers NSW can provide you with carer-focused support and guidance to help you establish and achieve meaningful employment goals.

The Care2Work project can assist you:

Identify and match your skills and experience to the workforce

Develop and refine your skills in applying for and securing meaningful employment

Connect with carer-friendly services and supports to further your employment related goals
